2.

The Board received credible information regarding Licensee that resulted in the Board initiating an investigation. The results of the Board's investigation to date have raised concerns to the extent that the Board believes it necessary that Licensee agree to cease the practice of medicine until the investigation is completed.

3.

In order to address the concerns of the Board, Licensee and the Board agree to enter into this Interim Stipulated Order, which is not an admission of any wrongdoing on the part of the Licensee, and provides that Licensee shall comply with the following conditions effective the date this Order is signed by Licensee:

**3.1 Licensee voluntarily withdraws from the practice of medicine and his license is placed in Inactive status pending the completion of the Board's investigation into his ability to safely and competently practice medicine.**

3.2 Licensee understands that violating any term of this Order will be grounds for disciplinary action under ORS 677.190(17).

1 4.

2 At the conclusion of the Board's investigation, Licensee's status will be reviewed in an  
3 expeditious manner. Following that review, if the Board determines that Licensee shall not be  
4 permitted to return to the practice of medicine, Licensee may request a hearing to contest that  
5 decision.

6 5.

8 of protecting the public, and making a complete investigation in order to fully inform itself with  
9 respect to the performance or conduct of the Licensee and Licensee's ability to safely and  
10 competently practice medicine. Pursuant to ORS 677.425, Board investigative materials are  
11 confidential and shall not be subject to public disclosure. However, as a stipulation this Order is  
12 a public document and is reportable to the National Practitioner Data Bank and the Federation of
