BEFORE THE  
OREGON MEDICAL BOARD  
STATE OF OREGON

In the Matter of )  
CORY TODD JOHNSON, MD ) INTERIM STIPULATED ORDER  
LICENSE NO. MD24075 )  
)

1.

The Oregon Medical Board (Board) is the state agency responsible for licensing, regulating and disciplining certain health care providers, including physicians, in the state of Oregon. Cory Todd Johnson, MD (Licensee) is a licensed physician in the state of Oregon and holds an active medical license.

2.

The Board received credible information regarding Licensee that resulted in the Board initiating an investigation. The results of the Board's investigation to date have raised concerns to the extent that the Board believes it necessary, and Licensee agrees to abide by, certain terms until the investigation is completed.

3.

In order to address the concerns of the Board, Licensee and the Board agree to enter into this Interim Stipulated Order, which is not an admission of any wrongdoing on the part of the Licensee, and provides that Licensee shall comply with the following conditions effective the date this Order is signed by Licensee:

3.1 Licensee must not conduct any examination or medical procedure on a female patient without a medically trained chaperone being present throughout the course of the examination or procedure. The presence of the chaperone must be immediately documented in the patient chart. The chaperone must be medically trained and not a friend or relative of the patient or physician.

3.2 Licensee must have no intentional personal contact with any patient outside of the clinical setting.

3.3 Licensee must not have any form of social media contact or electronic communication for personal purposes, in whole or in part, with any patient, former patient, or family members of patients.

3.4 Effective December 31, 2020, at 5:00 p.m., Licensee voluntarily withdraws from the practice of medicine and his license will be placed at Inactive status pending the completion of the Board's investigation into his ability to safely and competently practice medicine.

3.5 Licensee understands that violating any term of this Order may be grounds for disciplinary action under ORS 677.190(17), willfully violating Board order.

3.6 Licensee understands this Order becomes effective the date he signs it.

#### 4.

At the conclusion of the Board's investigation, the limitation placed on Licensee will be reviewed in an expeditious manner. If the Board determines, following that review, that these limitations shall not be lifted, Licensee may request a hearing to contest that decision.

#### 5.

This order is issued by the Board pursuant to ORS 677.265 while the Board conducts its investigation for the purpose of fully informing itself with respect to the performance or conduct of the Licensee and Licensee's ability to safely and competently practice medicine. Pursuant to ORS 677.425, Board investigative materials are confidential and shall not be subject to public disclosure, nor shall they be admissible as evidence in any judicial proceeding. However, as a
