)

1.

The Oregon Medical Board (Board) is the state agency responsible for licensing, regulating and disciplining certain health care providers, including osteopathic physicians, in the State of Oregon. Paul Jeffrey Aanderud, DO (Licensee) is a licensed osteopathic physician in the State of Oregon and holds an active medical license.

The Board received credible information regarding Licensee that resulted in the Board initiating an investigation. 3.

In order to address the Board's concerns, Licensee and the Board agree to the entry of this Interim Stipulated Order, which is not an admission of any wrongdoing on the part of the Licensee, and will remain in effect while this matter remains under investigation, and provides that Licensee shall comply with the following conditions:

3.1 Licensee will not perform Mohs surgery on any patient.

3.2 Licensee understands that violating any term of this Order will be grounds for disciplinary action under ORS 677.190(17).

3.3 Licensee understands this Order becomes effective the date he signs it.

At the conclusion of the Board's investigation, the Board will decide whether to close the case or to proceed to some form of disciplinary action. If the Board determines, following that review, not to lift the requirements of this Order, Licensee may request a hearing to contest that decision.

5.

This order is issued by the Board pursuant to ORS 677.410, which grants the Board the authority to attach conditions to the license of Licensee to practice medicine. These conditions will remain in effect while the Board conducts a complete investigation in order to fully inform itself with respect to the conduct of Licensee. Pursuant to ORS 677.425, Board investigative materials are confidential and shall not be subject to public disclosure, nor shall they be admissible as evidence in any judicial proceeding. However, as a stipulation this Order is a public document and is reportable to the National Databank and the Federation of State Medical Boards.
