4.

Licensee and the Board agree to resolve this matter by the entry of this Stipulated Order subject to the following terms and conditions of probation:

4.1 Licensee must pay a civil penalty of \$4,000 within 90 days from the date the Board Chair signs this Order.

4.2 Within one year from the signing of this Order by the Board Chair and at her own expense, Licensee must successfully complete a course on medical documentation and a course in the management of post-operative complications that are pre-approved by the Board's Medical Director. It is noted that Licensee has completed the course in management of post-operative complications.

4.3 For all of her post-operative patients, Licensee must be available within 30 minutes to follow up on any reported complication. A scheduled on-call physician seeing the patient on Licensee's behalf satisfies this requirement.

4.4 Within 60 days from the signing of this Order, Licensee must, at her own expense, enter into an agreement with a licensed physician who is pre-approved by the Board's Medical Director to serve as her practice mentor. Licensee must meet with the approved mentor at least twice a month, and the mentor must review, on an ongoing basis, at least 20% of charts for patients who underwent any operative procedure performed by Licensee. The mentor is to provide quarterly written reports to the Board on Licensee's ability to safely and competently practice medicine. Licensee may request to terminate this term after one full year of compliance, four quarterly reports from the mentor, and a recommendation of termination from the mentor.

4.5 Licensee must submit all surgical cases with post-operative complications within 60 days of the operation or procedure, to include infections, transfusions, and/or hospitalizations, to the approved mentor for review. Any such cases must be included in the quarterly reports submitted to the Board by the mentor. The reports must identify the patient, the complication, and the manner in which Licensee identified the complication and provided post-operative

1 medical care. Licensee may request to terminate this term after one full year of compliance, four  
2 quarterly reports from the mentor, and a recommendation of termination from the mentor.

3 4.6 Licensee's medical records are subject to no-notice audits by the Board's  
4 Compliance Officers.

5 4.7 Licensee stipulates and agrees that this Order becomes effective the date it is  
6 signed by the Board Chair.

7 4.8 Licensee must obey all federal and Oregon state laws and regulations pertaining  
8 to the practice of medicine.

9 4.9 Licensee stipulates and agrees that any violation of the terms of this Order shall  
10 be grounds for further disciplinary action under ORS 677.190(17).

11  
12 IT IS SO STIPULATED THIS 21 day of June, 2017.
