1.

The Oregon Medical Board (Board) is the state agency responsible for licensing, regulating and disciplining certain health care providers, including physicians, in the State of Oregon. Parker Darren Miller, MD (Licensee) is a licensed physician in the State of Oregon.

2.

On January 10, 2023, Licensee entered into an Interim Stipulated Order with the Board in which he agreed to voluntarily withdraw from practice and place his license in Inactive status pending the completion of the Board's investigation. On November 2, 2023, the Board issued a Notice of Proposed Disciplinary Action (Notice) in which the Board proposed to take disciplinary action by imposing sanctions identified in ORS 677.205(2), including revocation of license, a $10,000 civil penalty, and assessment of costs up to $50,000 against Licensee for violations of: ORS 677.190(1)(a) unprofessional or dishonorable conduct, defined in ORS 677.188(4)(a) as any conduct or practice contrary to recognized standards of ethics of the medical profession, and as any conduct, practice, or condition which does or might adversely affect a physician's ability safely and skillfully to practice medicine; ORS 677.190(7) impairment, as defined in ORS 676.303(1)(b); ORS 677.190(17) willful violation of any Board statute or rule, specifically ORS 677.080(1) knowingly making a false statement or representation on a matter, or willfully concealing any fact material to the right of the person to practice medicine; and ORS 677.190(17) failing to comply with a board request pursuant to ORS 677.320, specifically a failure to respond truthfully to a Board investigation (see OAR 847-001-0024(1)).

3.

Licensee and the Board desire to settle this matter by entry of this Stipulated Order. Licensee understands that he has the right to a contested case hearing under the Administrative Procedures Act (Oregon Revised Statutes chapter 183) and, by the signing and issuance of this Order, Licensee fully and finally waives the right to a contested case hearing, understands and acknowledges that this Order is not subject to judicial review, and acknowledges and agrees that this Order was signed freely, without fraud or duress. Licensee neither admits nor denies, but the Board finds that Licensee's conduct as described in the November 2, 2023, Notice of Proposed Disciplinary Action violated ORS 677.190(1)(a), defined in ORS 677.188(4)(a); ORS 677.190(7), as defined in ORS 676.303(1)(b); ORS 677.190(17), specifically ORS 677.080(1) and OAR 847-001-0024(1). Licensee understands that this Order is a public record and is a disciplinary action that is reportable to the National Practitioner Data Bank and the Federation of State Medical Boards.
