9 The Oregon Medical Board (Board) is the state agency responsible for licensing,
10 regulating and disciplining certain healthcare providers, including physicians, in the State of
11 Oregon. Cory Todd Johnson, MD (Licensee) is a licensed physician in the State of Oregon.

13 The Board received credible information regarding Licensee that resulted in the Board
14 initiating an investigation. The results of the Board's investigation to date have raised concerns
15 to the extent that the Board believes it necessary that Licensee agree to cease the practice of
16 medicine until the investigation is completed.

3.

18 In order to address the concerns of the Board, Licensee and the Board agree to enter into
19 this Interim Stipulated Order, which is not an admission of any wrongdoing on the part of the
20 Licensee, and provides that Licensee shall comply with the following conditions effective the
21 date this Order is signed by Licensee:

22 3.1 Licensee voluntarily withdraws from the practice of medicine and his license is
23 placed in Inactive status pending the completion of the Board's investigation into his ability to
24 safely and competently practice medicine.

26 disciplinary action under ORS 677.190(17).

27 //

3.3 Licensee must notify the Oregon Medical Board within 10 days as to how patients may access or obtain their medical records.

4.

At the conclusion of the Board's investigation, Licensee's status will be reviewed in an expeditious manner. Following that review, if the Board determines that Licensee shall not be permitted to return to the practice of medicine, Licensee may request a hearing to contest that decision.

51

This Order is issued by the Board pursuant to ORS 677.265(1) and (2) for the purpose of protecting the public, and making a complete investigation in order to fully inform itself with respect to the performance or conduct of the Licensee and Licensee's ability to safely and competently practice medicine. Pursuant to ORS 677.425, Board investigative materials are confidential and shall not be subject to public disclosure. However, as a stipulation this Order is a public document and is reportable to the National Practitioner Data Bank and the Federation of State Medical Boards.
